Mini Project Evaluation Notice for BSc IT 5th sem

Conventional Mini Project Final Evaluation 2022 for BScIT 6 semester is replaced by online Evaluation. Each student has to prepare the following:

Video Presentation: Each student should prepare a video presentation of at least 15 minutes giving complete details of their project(If project is in group, role should be clearly defined). Wherever possible, the video should contain a demonstration of the project. The student should talk about the problem statement and motivation, the methodology followed, tools/languages used, working of the project, what new things he/she learned in the project. The video presentation should be named as UniversityRollNo_miniproject.extension (e.g.,2012011_miniproject.mp4)

Soft Copy Report Submission: Students should prepare a very short report on their work. Along with the title of the project, student name and roll no, the report should contain the problem statement, a brief motivation for doing the project and the methodology followed. The report should NOT exceed more than 3 pages. Name the report as UniversityRollNo_name_miniprojectreport.docx/pdf (e.g., 2012011_miniprojectreport.docx)

Submission: The video and the report should be either mailed to the email id provided or uploaded to the drive provided.

NOTE:
- **The last date for uploading the Video and the Report is 11 Jan 2022**
- **After that on January 12, 2022 you have your final presentation.**
